(限时:42 分钟 分值:50 分)

一、完形填空(2021 原创)(共 15 分)

There was a young man who came from a rich family. He had just graduated from college and went to work in a company. He 1 himself as the most knowledgeable person in the company. 2 he never asked anyone for advice.

One day, he went to fish in the small 3 behind the company. Two old 4 happened to be there already. He only nodded his head and sat without greeting them politely. After a while, one of the men put down his fishing rod and went 5 the water to the toilet quickly. The young man watched with wide eyes. He was 6 that the old worker could walk on the water. It can't be 7. It's a pool! Later, the old worker returned. What was 8 here?

After a long time, the other old worker also went to the other side in the same 9. The young man opened his mouth and could not say a word again. He had never seen anyone who could walk on water 10. He felt he needed to go to the bathroom at that time, too.

He was not willing to ask the two workers. He 11 up and stepped into the water, but unluckily he fell into it with a splash. The two old workers hurried to 12 him out of the water. He asked them 13 they could go across the pool, but he couldn't. 14 looked at each other and smiled, "There are two rows of stakes in the pool, and they are just below the surface of the water because of the 15 these two days." Hearing this, the young man was lost in thought.
